

Dear Parents/Guardians:

We extend our sincere gratitude to you for selecting Divine Driving School (DDS) for your child's driver education. The Divine Behind-the-Wheel program caters specifically to 16-year-old students, offering a comprehensive six-hour training course in compliance with the State of New Jersey's requirements. Our primary objective is to impart essential skills, emphasizing safety, to contribute to saving lives and reducing motor vehicle accidents.

The Divine program encompasses both education and supervised instruction, ensuring that students acquire the fundamental skills necessary for responsible driving. Upon successful completion of the six-hour program, students will obtain a learner's permit, allowing them to drive under the supervision of a New Jersey licensed driver aged 21 or older, with a minimum of three years of licensure. Driving hours are restricted from 5:01 am to 11 pm, with a one-passenger limit unless accompanied by a parent or guardian. Additionally, a visible decal must be displayed on both the front and rear license plates during driving sessions.

Divine Driving School is proudly owned and operated by Josue and Gregory Etienne, both certified by the New Jersey State Department of Education and endorsed as driving instructors by NJMVC. With over 15 years of experience as full-time bus operators with NJ Transit, Josue and Gregory bring a wealth of practical knowledge to enhance the learning experience.

To proceed with enrollment, kindly complete the attached permission form. Please be informed of the following:

- Upon receipt of your application, it may take up to ten business days to obtain the permit from NJMVC for processing.
- Applications are processed in the order they are received, and students are taught accordingly.
- Kindly specify any special restrictions or requests on the permission form.

We appreciate your trust in Divine Driving School, and we look forward to providing a safe and educational driving experience for your child.

Thank you for choosing Divine Driving School.

Sincerely,

Josue & Gregory Etienne (Managers)
